Disclosure of notes on shareholding pattern									Textual Information(1)

Text Block	
Textual Information()	Revised Shareholding Pattern for the Quarter ended 31/03/2017. Fields revised: The subject matter of this revision is that in the shareholding pattern filed for the quarter ended 31/03/2017, the total number of shareholders as on 31/03/2017 are shown in number of shareholders column as 16 which is incorrect. As the total number of Shareholders as on 31/03/2017 are 138. The above mistake was due to inadvertence and was not intentional, as the work of feeding data in the shareholding pattern file was handled by the new person due to sudden resignation by the employee who was regularly involved in the filling data in the shareholding pattern file and filing the same with the exchange. The above mistake happened for the first time due to the reasons mentioned above.
